2024 MCAS Testing Information Reverse Half-Day Information Tuesday, March 26 & Wednesday, March 27

The MCAS Test for English Language Arts will be administered to students in Grades 8 and 10 on Tuesday 3/26 and Wednesday 3/27. On most MCAS testing days, we operate school using a “reverse half-day model.” Because Hudson High School is a school with students in Grades 8-12, we must adhere to two testing timelines, and create a schedule for the day that allows all the students who are testing to be in school at the usual start time (7:30 am) and non-testing students to be in school later in the day (10:20am).

Preparation for Students

- Students have been working diligently with their teachers to prepare for this important assessment. They should arrive to school on-time, alert, rested, fed and ready to show their best effort and work
- Students **MUST** bring their Chromebook and Charger and should charge it overnight so it is operating on a full battery
- Students cannot leave when they complete their test and will not have access to any electronic device during the testing time
- Room assignments will be posted outside the Main Office on Friday, March 22, 2024.

Bus Transportation Information

If your student relies on bus transportation to school, **please pay particular attention to the schedule below. Testing times are the same on both days.** Morning buses will make two runs on each reverse half day. One bus run will pick up students being tested at the regular time and a second run later in the morning will pick up students in grades that are not being tested (see table below). Dismissal is at the regular time (2:03 pm) for all students on testing days.

	Tuesday, March 26 Math Session #1 Grades 8 & 10	Wednesday, March 27 Math Session #2 Grades 8 & 10
Testing Time 8th & 10th	7:30 am- 10:20 am	7:30 am- 10:20 am
